# DRAGON BOAT CHALLENGE

Saturday **12th of April 2025**  
**12 - 4 pm**, Lapp's Quay, Cork

Cork's unique  
**team building event**

**FUN • ADVENTURE • TEAM BUILDING • RIVALRY**

## Form a crew today and try your hand at racing a 40ft dragon boat on the River Lee!

Twice a year, companies, groups and organisations battle it out in this high-energy race on the River Lee. With 17 participants per crew, you'll power 250m from the iconic Port of Cork sign to the Lapp's Quay Boardwalk, all to the pounding beat of the dragon's drum. **No experience needed—just teamwork, determination and plenty of spirit!** A pre-race training will take place for crews in the two weeks before race day.

Supported by teams from Pfizer and Amazon to Cork City Council, this colourful, fun-filled event is more than just a race - it's a chance to get active, build camaraderie, and see Cork from a whole new perspective.

Plus, **you'll be supporting Meitheal Mara**, Cork's community boatyard and maritime training centre, helping provide opportunities for people of all backgrounds, including those at risk of social exclusion. As a registered charity (CHY 12929), your contribution towards this event is tax-deductible and an ideal opportunity to fulfill your company's CSR commitments.

### Ready to race?

Registration is €680 per team of 17 (€40 per person), and places fill fast. Don't miss your chance to compete for the cup - email [dragons@meithealmara.ie](mailto:dragons@meithealmara.ie) to secure your spot!
